RELAY FOR LIFE: THE FIGHT AGAINST CANCER

On May 2nd, 2025, the Primary Health Choice team participated in the 2025 Relay for Life of Robeson County, to bring awareness to cancer, and to support our own Ms. Carol Butler, who is currently battling cancer. Lumberton High School hosted the event from noon until midnight. The tremendous support of staff, friends, and family made it possible for us to raise money for Ms. Carol! Thank you to everyone who donated, and stopped by the PHC booth at Relay for Life.
