MARCH IS SOCIAL WORKERS MONTH!

The 2026 theme for Social Workers Month is - "Social Workers: Uplift. Defend. Transform." This highlights the empowering and transforming work that social workers have in our healthcare, schools, and community settings! To all the social workers at Primary Health Choice and beyond, to you who dedicates yourself to the task of helping others, thank you! ↩

HEAR FROM CEO DR. CHERYL DAVIS:

"Spring is upon us and I hope that everyone is enjoying this new season. We thank you for all your dedication to the patients that we serve on a daily basis. Our employees are a tremendously valuable asset, and we hope that you enjoy working here as much as we do! Take time to smell the flowers this Spring. Spend time with those that you love! May God continue to bless you!"

REDUCE HOSPITAL READMISSIONS

A hospital readmission occurs when a patient is readmitted to the hospital within a defined time frame, often within 30 days of discharge. Preventing 30-day hospital readmissions is critical to improving patient outcomes and ensuring a safe recovery at home.
