WE ARE NOW OFFERING

PERSONAL EMERGENCY RESPONSE SYSTEM

Our new Personal Emergency Response Systems is designed to provide added safety, security, and peace of mind for individuals who want to remain independent in the comfort of their own homes.

It's another way A Primary Choice supports our mission of helping clients live safely and confidently at home.

Products include:

Sidekick Home

For people who spend more of their day in or around their home. Our in-home cellular system works even for customers without a traditional landline.

Fall Detection

Our medical alert system with Fall Detection uses a proprietary sensor within the help button that automatically notifies us when it determines that you have fallen.

Pearl Mobile

For people who leave the home and want an added sense of security in and out of the house. Mobile with GPS helps identify your location in the event of an emergency.

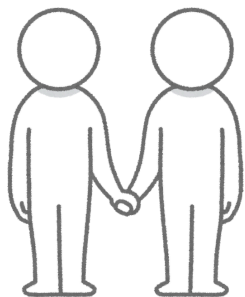

Sidekick Smart

For people who lead an active lifestyle but want a sense of security in and out of the house. Track steps, monitor heart rate, and get emergency help in a modern, sleek smartwatch.

**HEAR FROM CEO
DR. CHERYL DAVIS:**

"I hope that everyone has enjoyed summer. Summer is a great time to connect with family and friends in a more relaxed season and great weather. We have been hard at work providing enhanced summer services for 1915-i. We have experienced tremendous growth over the summer and we appreciate all our employees and clients that helped make this possible. There are many exciting things that are happening this Fall at Primary Health Choice and A Primary Choice, Inc. Stay tuned for more announcements coming soon!"

VA HOME CARE BENEFITS IN NORTH CAROLINA

"If you're considering veterans' home care services in North Carolina, this guide outlines what to expect and how to seek assistance. Veterans and their families often ask what types of support are available, who qualifies, and where to turn for local assistance..."
